

Privacy notice

Green Castle Estate Privacy Policy (Taino Hills Ltd)

What data we need

The personal data we collect from you includes:

questions, queries or feedback you leave, including your email address if you contact us via the website

how you use our emails - for example whether you open them and which links you click on

we collect your email details when you send us an email enquiry

your Internet Protocol (IP) address, and details of which version of web browser you used

information on how you use the site, using cookies and page tagging techniques

The legal basis for processing this data is to perform a task in the public interest that is set out in law and is statute based.

Why we need it

We use Google Analytics software to collect information about how you use the Green Castle Estate website. We do this to help make sure the site is meeting the needs of its users and to help us make improvements, for example improving site search.

Google Analytics stores information about:

the pages you visit

how long you spend on each page

how you got to the site

what you click on while you're visiting the site

We do not collect or store your personal information (for example your name or address) so this information cannot be used to identify who you are.

We also collect data in order to:

improve the site by monitoring how you use it

respond to any feedback you send us, if you've asked us to

What we do with your data

The data we collect is not collected with anyone else

We will not:

sell or rent your data to third parties

share your data with third parties for marketing purposes

We will share your data if we are required to do so by law – for example, by court order, or to prevent fraud or other crime.

How long we keep your data

We will only retain your personal data for as long as:

it is needed for the purposes set out in this document

the law requires us to

In general, this means that we will only hold your personal data for a minimum of 1 year and a maximum of 7 years.

Where your data is processed and stored

We design, build and run our systems to make sure that your data is as safe as possible at any stage

Your rights

You have the right to request:

information about how your personal data is processed

a copy of that personal data

that anything inaccurate in your personal data is corrected immediately

You can also:

raise an objection about how your personal data is processed

request that your personal data is erased if there is no longer a justification for it

Changes to this policy

We may change this privacy policy. In that case, the 'last updated' date at the bottom of this page will also change. Any changes to this privacy policy will apply to you and your data immediately.
